COMMISSIONER FOR PATENTS
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This is in response to the Notice of Allowance, dated December 2, 2009, in the above-identified application to correct a defective oath or declaration.

Any required fee will be made at the time of submission via EFS-Web. In the event fees are not or cannot be paid at the time of EFS-Web submission, please charge any fees under 37 CFR § 1.16, 1.17, 1.136(a), or any additional fees to Deposit Account 13-2546.

REMARKS

In response to the Examiner's finding that a fully executed declaration is not on file at the USPTO, Applicants are submitting a copy of the original fully executed declaration. It appears as though at the time the original declaration was submitted, the signature page of Gregory J. Linden was not faxed or otherwise transmitted to the USPTO.

Applicants believe that this submission is fully responsive to correct the deficient oath or declaration in this instance.

Should the Examiner believe this submission is not fully responsive and effective, the Examiner is urged to telephone the undersigned. The Commissioner is authorized to charge any deficiencies and credit any overpayments to Deposit Account No. 13-2546.

Respectfully submitted,

Date: January 7, 2010
